**FOR IMMEDIATE RELEASE**

*Department of Justice Awards 10-year Cybersecurity Blanket Purchase Agreement to SHG Alliance, LLC*

**Ashburn, VA, May 8, 2020** – The Department of Justice (DOJ), Justice Management Division, has awarded a 10-year Cybersecurity Program Management Blanket Purchase Agreement (BPA) to **SHG Alliance, LLC**, a Joint Venture between The Ventura Group, Inc., and eMentum, Inc. The 10-year award was announced by Michael J. Sierra, SHG Alliance’s managing partner and President and founder of The Ventura Group, Inc.

*“SHG Alliance is proud and honored to support the U.S. Department of Justice in the areas of Cybersecurity Program Management, Insider threat discovery and mitigation, Asset and Supply Chain Risk Management, and a wide variety of Information Assurance and Technology Support Services,”* said Mr. Sierra.

DOJ announced that the BPA will be open to all divisions within the agency, including the FBI, the US Marshals Service, the Drug Enforcement Administration, United States Attorneys, the Office of the Attorney General, and others. DOJ is also making the purchasing vehicle available to all other agencies across the Federal Government.

A broad range of services may be procured under this BPA, including but not limited to Program Management, Cybersecurity Policy and Planning Support, Security Center Operations (SOC) Engineering Support, Cyber Threat Intelligence, and many more.

**About SHG Alliance, LLC**

SHG Alliance, LLC, a joint venture between The Ventura Group, Inc. and eMentum, Inc., is a DOJ pre-vetted contractor that provides cybersecurity, program management, and information technology services to DOJ and other government agencies.

**About The Ventura Group, Inc.**
